2004	3rd Leadership Conference on Gender, Sexuality & Sexual Health in Southeast Asia and China Award

Research Experiences:

Consultancy Project

1. Social impact Assessment of Covid-19 in Thailand (Part of protection against violence, exploitation, and abuse). Oxford Policy Management and United Nations. 2020
2. Content and Package on Prevention of Sexual Exploitation, Harassment and Abuse (PSEA) in Digital Technologies. UNFPA Thailand. 2020
3. Development of National Standard Operating Procedures (SOP) on Violence against Women, Focusing on Women Migrant Workers. UN WOMEN. 2020

Principal Investigator

1. *Principal Investigator:* Sexual Violence (MA Thesis entitled “The Victimization of Women in Newspapers and their Survival”)
2. *Principal Investigator:* Sexual Violence (PhD Dissertation entitled “Model Development for Reduction of Intimate Partner Violence Problem in Thailand”)
3. *Principal Investigator:* Research survey and focus group discussions entitled “Youth Centre Needs Assessment: What do Thai Young People Want and Need? (Qualitative Study)
4. *Principal Investigator:* Research project entitled “Training Model for Sexual and Violence Problems based on Gender”
5. *Principal Investigator:* Research project entitled “To Establish a Network of Senior Citizens to Practice Qigong (18 Strokes) Exercise in Bangkok Metropolis”
6. *Principal Investigator:* Research project entitled “Physical Exercise Model Development Geared Towards Quality of Life for Senior Citizens”
7. *Principal Investigator:* Research project entitled “The Effect of Sexual Violence Against Women to Women’s Health: A Case Study in Bangkok and Metropolitan areas”
8. *Principal Investigator:* Research project entitled “Health Promotion for the Elderly via the Practice of Qigong (18 strokes) Exercise: Phrase I, II , and III”
9. *Principal Investigator:* Research project entitled “An Application of Sufficiency Economy for the Development of Role Model Centre for Health Promotion in the Elderly” (3-year project)
10. *Principal Investigator:* Research project entitled “Health Promotion for the Elderly in Suanluang Samyan and Siam Square areas via the Practice of Qigong (18 strokes) Exercise”
11. *Principal Investigator:* Research project entitled “Community Participation for Health Promotion in the Elderly” (2014)
12. *Principal Investigator:* Research project entitled “The Development of Elderly Networking for Physical Mental and Social Well-being” (2014)
13. *Principal Investigator:* Research project entitled “Health Communication to Develop Quality of Life of the Elderly” (2015)
14. *Principal Investigator:* Research project entitled “Neglect and Violence of the Elderly in Urban Area” (2015)
15. *Principal Investigator:* Research project entitled “Neglect and Violence of the Elderly in Urban and Rural Areas” (2015)
16. *Principal Investigator:* Research project entitled “Community Participatory to Develop Activities for Elderly Health Promotion via Sufficiency Economy Philosophy” (2015)
17. *Principal Investigator:* Research project entitled “Domestic Violence and Women’s Health” (2016)
18. *Principal Investigator:* Research project entitled “Health Consequences and Needs Assessment of Abused Women in Domestic Violence in Thailand” (2016)
19. *Principal Investigator:* Research project entitled “The development of standardized measurement tool for Intimate Partner Violence in Thai Version” (2017)

20. *Principal Investigator:* Research project entitled “The development of Mobile Application for Intimate Partner Violence Self-Assessment and Helping and Support Channel” (2018-2019)
21. *Principal Investigator:* Research project entitled “Project Evaluation of the 3-Year Master Plan 2018-2020 of “Physical Activity Promotion Plan” Thai Health Promotion Foundation (2020)
22. *Principal Investigator:* Research project entitled “Experiences of violence among women migrant workers migrating from Lao PDR, Myanmar and Cambodia to Thailand” (2021-2022)
23. *Principal Investigator:* Research project entitled “The development of the national guidelines on the provision of online digital services for adolescents and youth in Thailand” (2023)
24. *Principal Investigator:* Research project entitled The Evaluation of “Physical Activity Promotion Plan” Year 2021-2024 (2023-2024)
25. *Principal Investigator:* Research Project entitled “The Development of a Participatory Model for Promoting Workplace Health and Well-being (Healthy Living): Phase 2” (2025)
26. *Principal Investigator:* Research project entitled: “Research and Evaluation Project on the Implementation and Expansion of the Participatory Workplace Health and Well-being Promotion Initiative (Healthy Living): Phase 2” (2025)
27. *Principal Investigator:* Research project entitled “Assessing the percentage of people diagnosed with TB who report experiencing stigma in community settings that inhibited them from seeking and accessing TB services under the Stop TB and AIDS through RRTTPR Project (STAR) 2024–2026” (2025)
28. *Principal Investigator:* Research project entitled “The development of a tailored online safety plan and decision aid for women experiencing domestic violence” (2025)

Co-Principal Investigator

29. *Co-Investigator:* Research project entitled “Sex education for Secondary Schools via CD-ROM in Thailand”
30. *Co-Investigator:* Preliminary research study entitled “Sexual Health Decision Making Amongst Thai Youth: An Exploratory Needs Assessment”
31. *Co-Investigator:* Research project entitled “The Development of sexual and Reproductive Health Services for Thai Adolescents”
32. *Co-Investigator:* Research project entitled “A study of Knowledge, Attitudes, Beliefs and Practices on Sexuality among Youth in Thailand”
33. *Co-Investigator:* Research project entitled “Thai Teens: Building for Safer Sex Behaviors”
34. *Co-Investigator:* Research project entitled “Perceptions of AIDS risks among Thai adolescent females”
35. *Co-Investigator:* Research project entitled “Thai Youth Empowerment Programme for Reproductive Health Promotion”

36. *Co-Investigator*: Research project entitled “A surveillance of drinking behaviours and other health-risk behaviours among high school students in Thailand”
37. *Co-Investigator*: Research project entitled “ILO-UNICEF joint project on HIV vulnerabilities of migrant children and youth”
38. *Co-Investigator*: Research project entitled “Smoking Survey in Thai pregnant women”
39. *Co-Investigator*: Research project entitled “Sexual Health Status and Services for University Students in Bangkok”
40. *Co-Investigator*: Research project entitled “Sexual Violence in Families and Between Intimate Partners in Bangkok”
41. *Co-Investigator*: Research project entitled “Sexual Wellbeing of the Elderly in Nakhon ratchasima, Singhaburi and Pathumthani” (2012)
42. *Co-Investigator*: Research project entitled “Needs, Assessment and Programme for Personnel & Organization working with Issues Related to Sexuality and Reproductive Health” (Oct 2011 – Sep 2012)
43. *Co-Investigator*: Research project entitled “The Bangkok’s Twenty-Year Visioning Plan”
44. *Co-Investigator*: Research project entitled “Thailand’s Quality Birth Experience: An Analysis of Family Planning Services”
45. *Co-Investigator*: Research project entitled “Enhancing Sexual Right Knowledge and Sexual Harassment Prevention in Child”
46. *Co-Investigator*: Research project entitled “The National Health and Examination Survey V: Central region”
47. *Co-Investigator*: Research project entitled “Sexual Wellbeing of the Elderly in Nakhon ratchasima, Singhaburi and Pathumthani”
48. *Co-Investigator*: Research project entitled “Assessment of Youth-Friendly Health Service (YFHS) in Thailand within the Framework of Adolescent Health” (2018)
49. *Co-Investigator*: Research project entitled “Promoting Self Breast Examination: An Evaluation Research” (2019)
50. *Co-Investigator*: Research project entitled “The National Health and Examination Survey VI: Central region” (2019)
51. *Co-Investigator*: Research project entitled “National Breast Self-Examination Rapid Survey among Female Population Aged 18 -70 Years in Thailand” (2023)
52. *Co-Investigator*: Research project entitled “การศึกษาและประเมินรูปแบบการเพิ่มอัตราการเข้าถึงบริการชุดสิทธิประโยชน์การสร้างเสริมสุขภาพและป้องกันโรคที่ส่งเสริมการเกิดอย่างมีคุณภาพผ่าน 2 Telehealth” (2023)
53. *Co-Investigator*: Research project entitled “การส่งเสริมการบูรณาการงานสร้างเสริมสุขภาพและ 2 มิติในองค์กรภายใต้กรอบ Healthy Lifestyle NCDs Package” (2023)
